In Memory of

JASON G. SNOWDEN

We, the class of 1970, believe it a fitting tribute to express our sorrow for our departed parents--Grace P. Tapley, Jason G. Snowden, and Milton G. Eaton. In our memory will live their willing ways, their hard work, and guidance.

"He who was as life can be
Has crossed alone the tideless sea,
Why should we fear the distant shore,
When he whom we loved has gone before?"

Dedication

We the class of 1970 wish to dedicate this issue of the Gatherer to Diane Henderson and Ronald Moody, for all the services they have rendered us throughout our high school years.

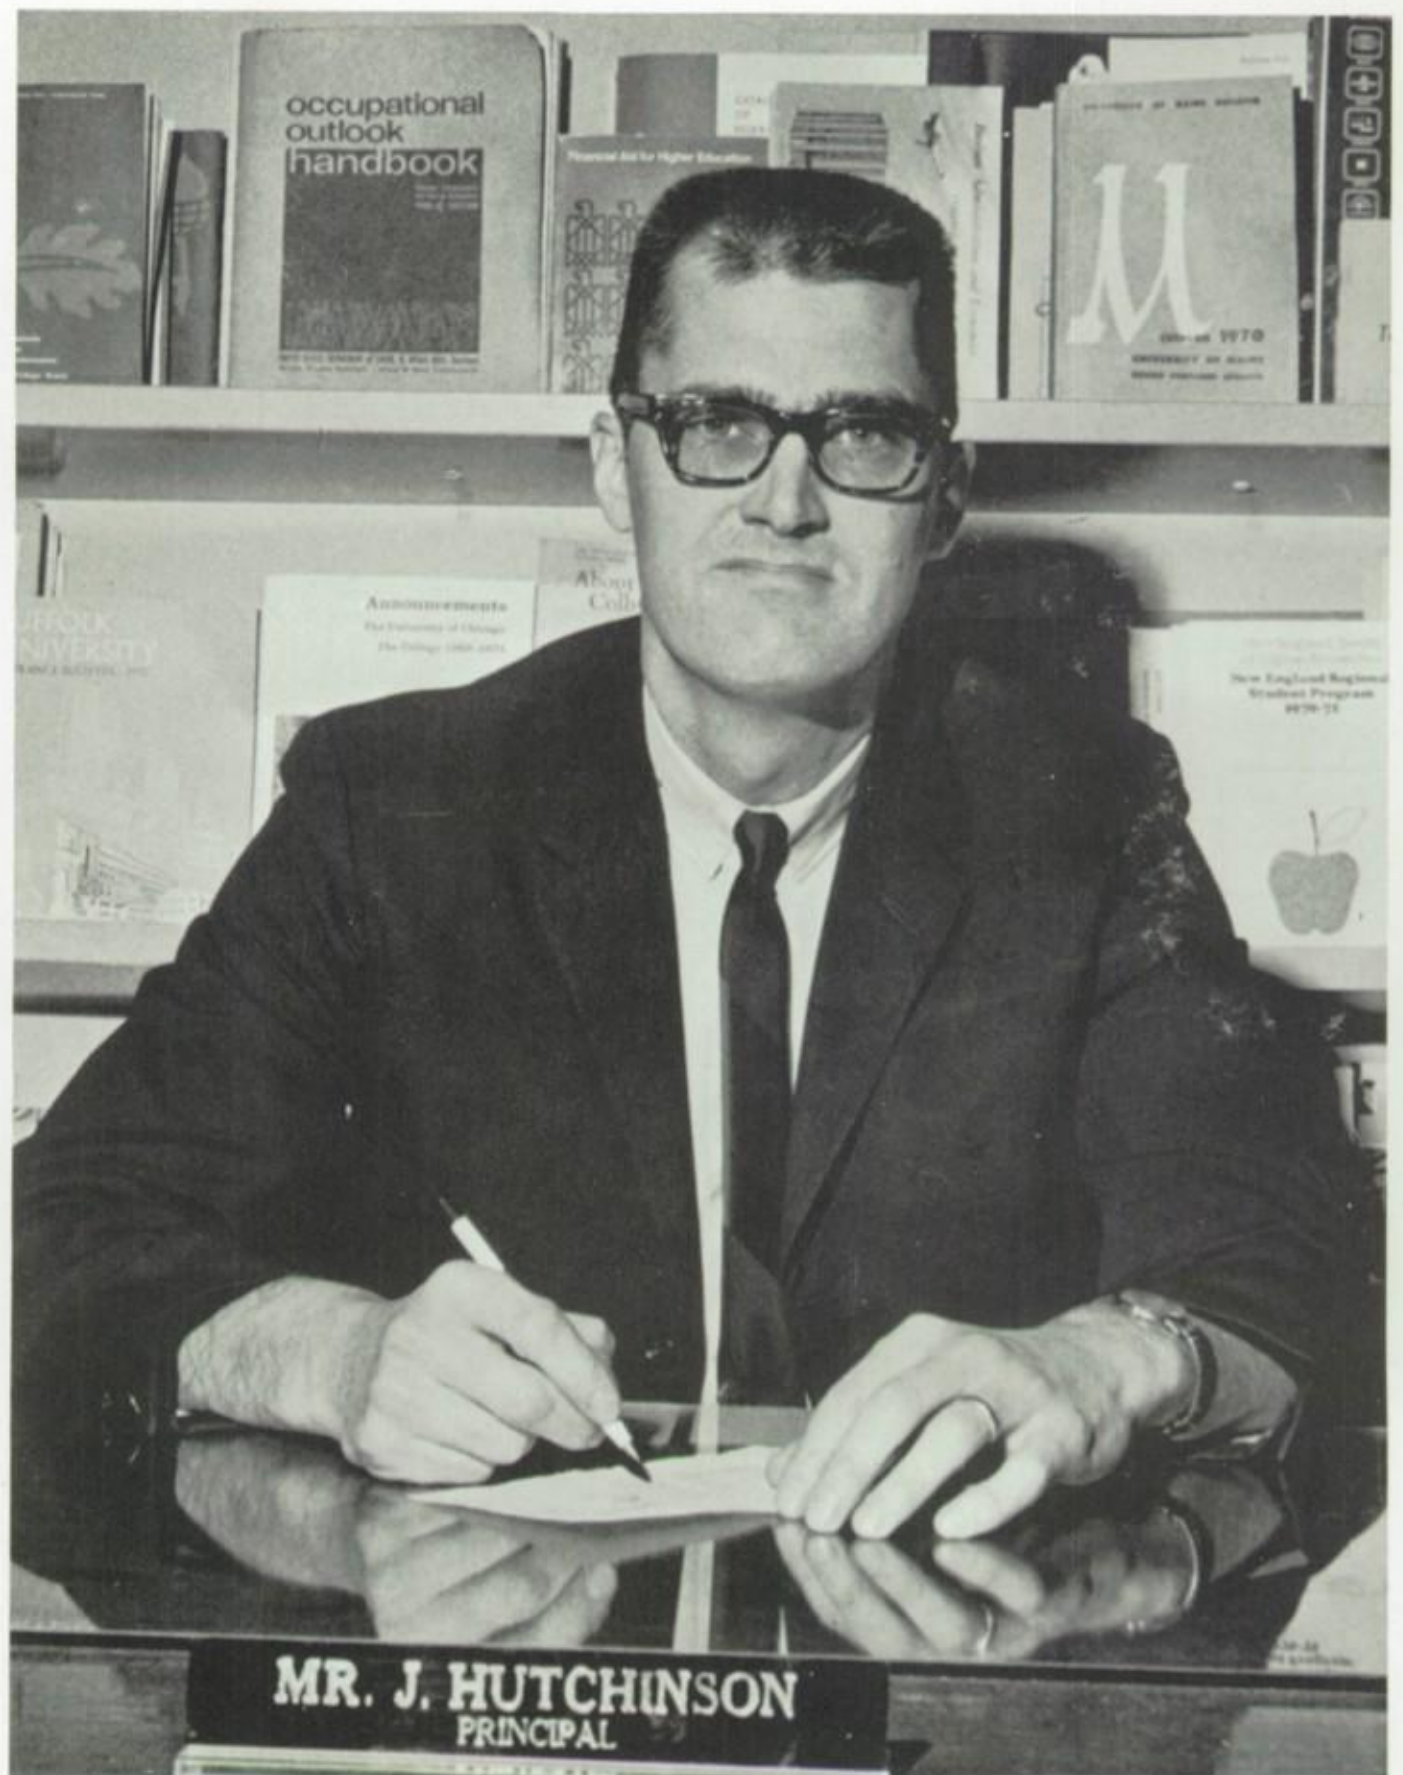

Thank you, Mrs. Henderson, for everything you have done for us as our class advisor and friend. Without your help and guidance our senior year would have been less rich and rewarding.

Thank you, Mr. Moody, for all your understanding and help that you gave to each of us, whether as a teacher or a friend.

Again, we thank you both.

SENIORS

D.I.H.S. Diary

Remember the first day of school when we were Freshmen? Were we scared! We didn't even know one room from the other! Then the biggest event of the year came along - Freshman Reception. I wonder where the Sophomores got their books? They never seemed to have them before! And onions - they certainly made Jane and Romona cry. Our next big event was Harvest Fair. We TRIED to make a white elephant's tent, but somehow it never turned out as such, and we won third prize. Throughout the year, we earned money by having car washes, which got us cleaner than the cars - food sales, and socials.

As Sophomores, it was our turn to initiate the Freshmen. We really made them tow the mark. They were plenty scared of us, and we soon found out where the previous Sophomores had found all their books! As usual, Harvest Fair followed Freshman Reception. We worked hard, and our booth came out well. But apparently another class had more determination, as we only got second prize. In the spring, we held our Sophomore Cabaret at Haystack. With the help of Mr. Moody, Kay, the cook, and Mr. Merritt, who let us use Haystack, we couldn't help but have a success!

Our first money-making job of our Junior year was the Harvest Fair. We didn't win first prize, but we earned more money than in our previous years. We decorated our booth in orange and black colors, representing a pumpkin. Next came Junior Speaking, the thing that all Juniors fear. The prizes were: Linda Grindle, third; Margaret Eaton, second; and Jane Eaton and Sheila Parker shared first prize. Our last big event of the year was the Junior Prom. Everett Carter, Gardiner Conary, and Garfield Eaton were the king candidates; and Pam Snowden, Margaret Eaton, and Linda Grindle were queen candidates. Garfield and Linda were chosen as King and Queen to represent our class. Thus brought the close to our Junior year.

This year, our class increased by five members. They are: Frances Stevens, Marianne Allen, Geneva Laughlin, Stephen Tapley from Brooklin; and, Jo-Ann Bamford from Sedgwick. Thus far we have been busy making plans for graduation. We are all anxious to leave the school to the underclassmen! We have had a lot of fun in the past four years, and a lot of memories have been locked away never to be forgotten. Hello world and good-bye D.I.H.S.!

B.H.S. Diary

Our class entered Brooklin High School as if we knew what we were doing, but soon learned that we didn't know as much as we thought we did.

Just as the six of us lost freshmen got settled so that we weren't so confused, they hit us with that thing called "Freshman Reception." Boy, what a time that turned out to be! After this shock, we decided to see what kind of salesmen we were. We sold combs and toothbrushes and found that making money just took a little effort and time. We ended our money-making freshman year by putting on a supper. This turned out exceptionally well, considering everything, and we were happy that the year was over.

Our Sophomore year we started school with a little experience under our belts. During the summer we even got ambitious and had two food sales. Our first chore of the school year was to take out some of our hostility on the incoming freshmen. When we were satisfied, we let things cool off by having a dance. We next went modern and had a computer pick the best partners and then held a dance to let them get together. This turned out quite well, and we were glad that we did it. The rest of the year we busied ourselves by having a supper and a food sale. Gee, time sure flies when you are having fun.

Our Junior year was rough, but fun. Since we were overshadowed by the closing of the school, we decided to work toward a goal of taking a class trip. We worked hard and raised money by having a couple of dinners and by having record hops. In April our hard work paid off and the entire class, accompanied by Mr. and Mrs. Carl Hill, went to Boston. This was an exciting climax to our stay at Brooklin High School.

Thinking back makes us sad, but we are happy that we had the opportunity to be a part of B.H.S. for three years. We wish to thank all who helped us and made this possible.

We were quite skeptical about our Senior year at Deer Isle, but we soon learned that we were welcome and that everyone wanted to be friends. We're glad to be a part of D.I.H.S. and to work toward better understanding within our geographical area.

SECOND ROW: Richard Grindle, Ricky Weed, John Wallace, Ronald Betts, Michael Hughes, Ralph McDonald, David Haskell. FIRST ROW: Merlin Brown, Timothy Brown, David Eaton, Royce Varnum, Lee Perrigo, Brent Harmon.

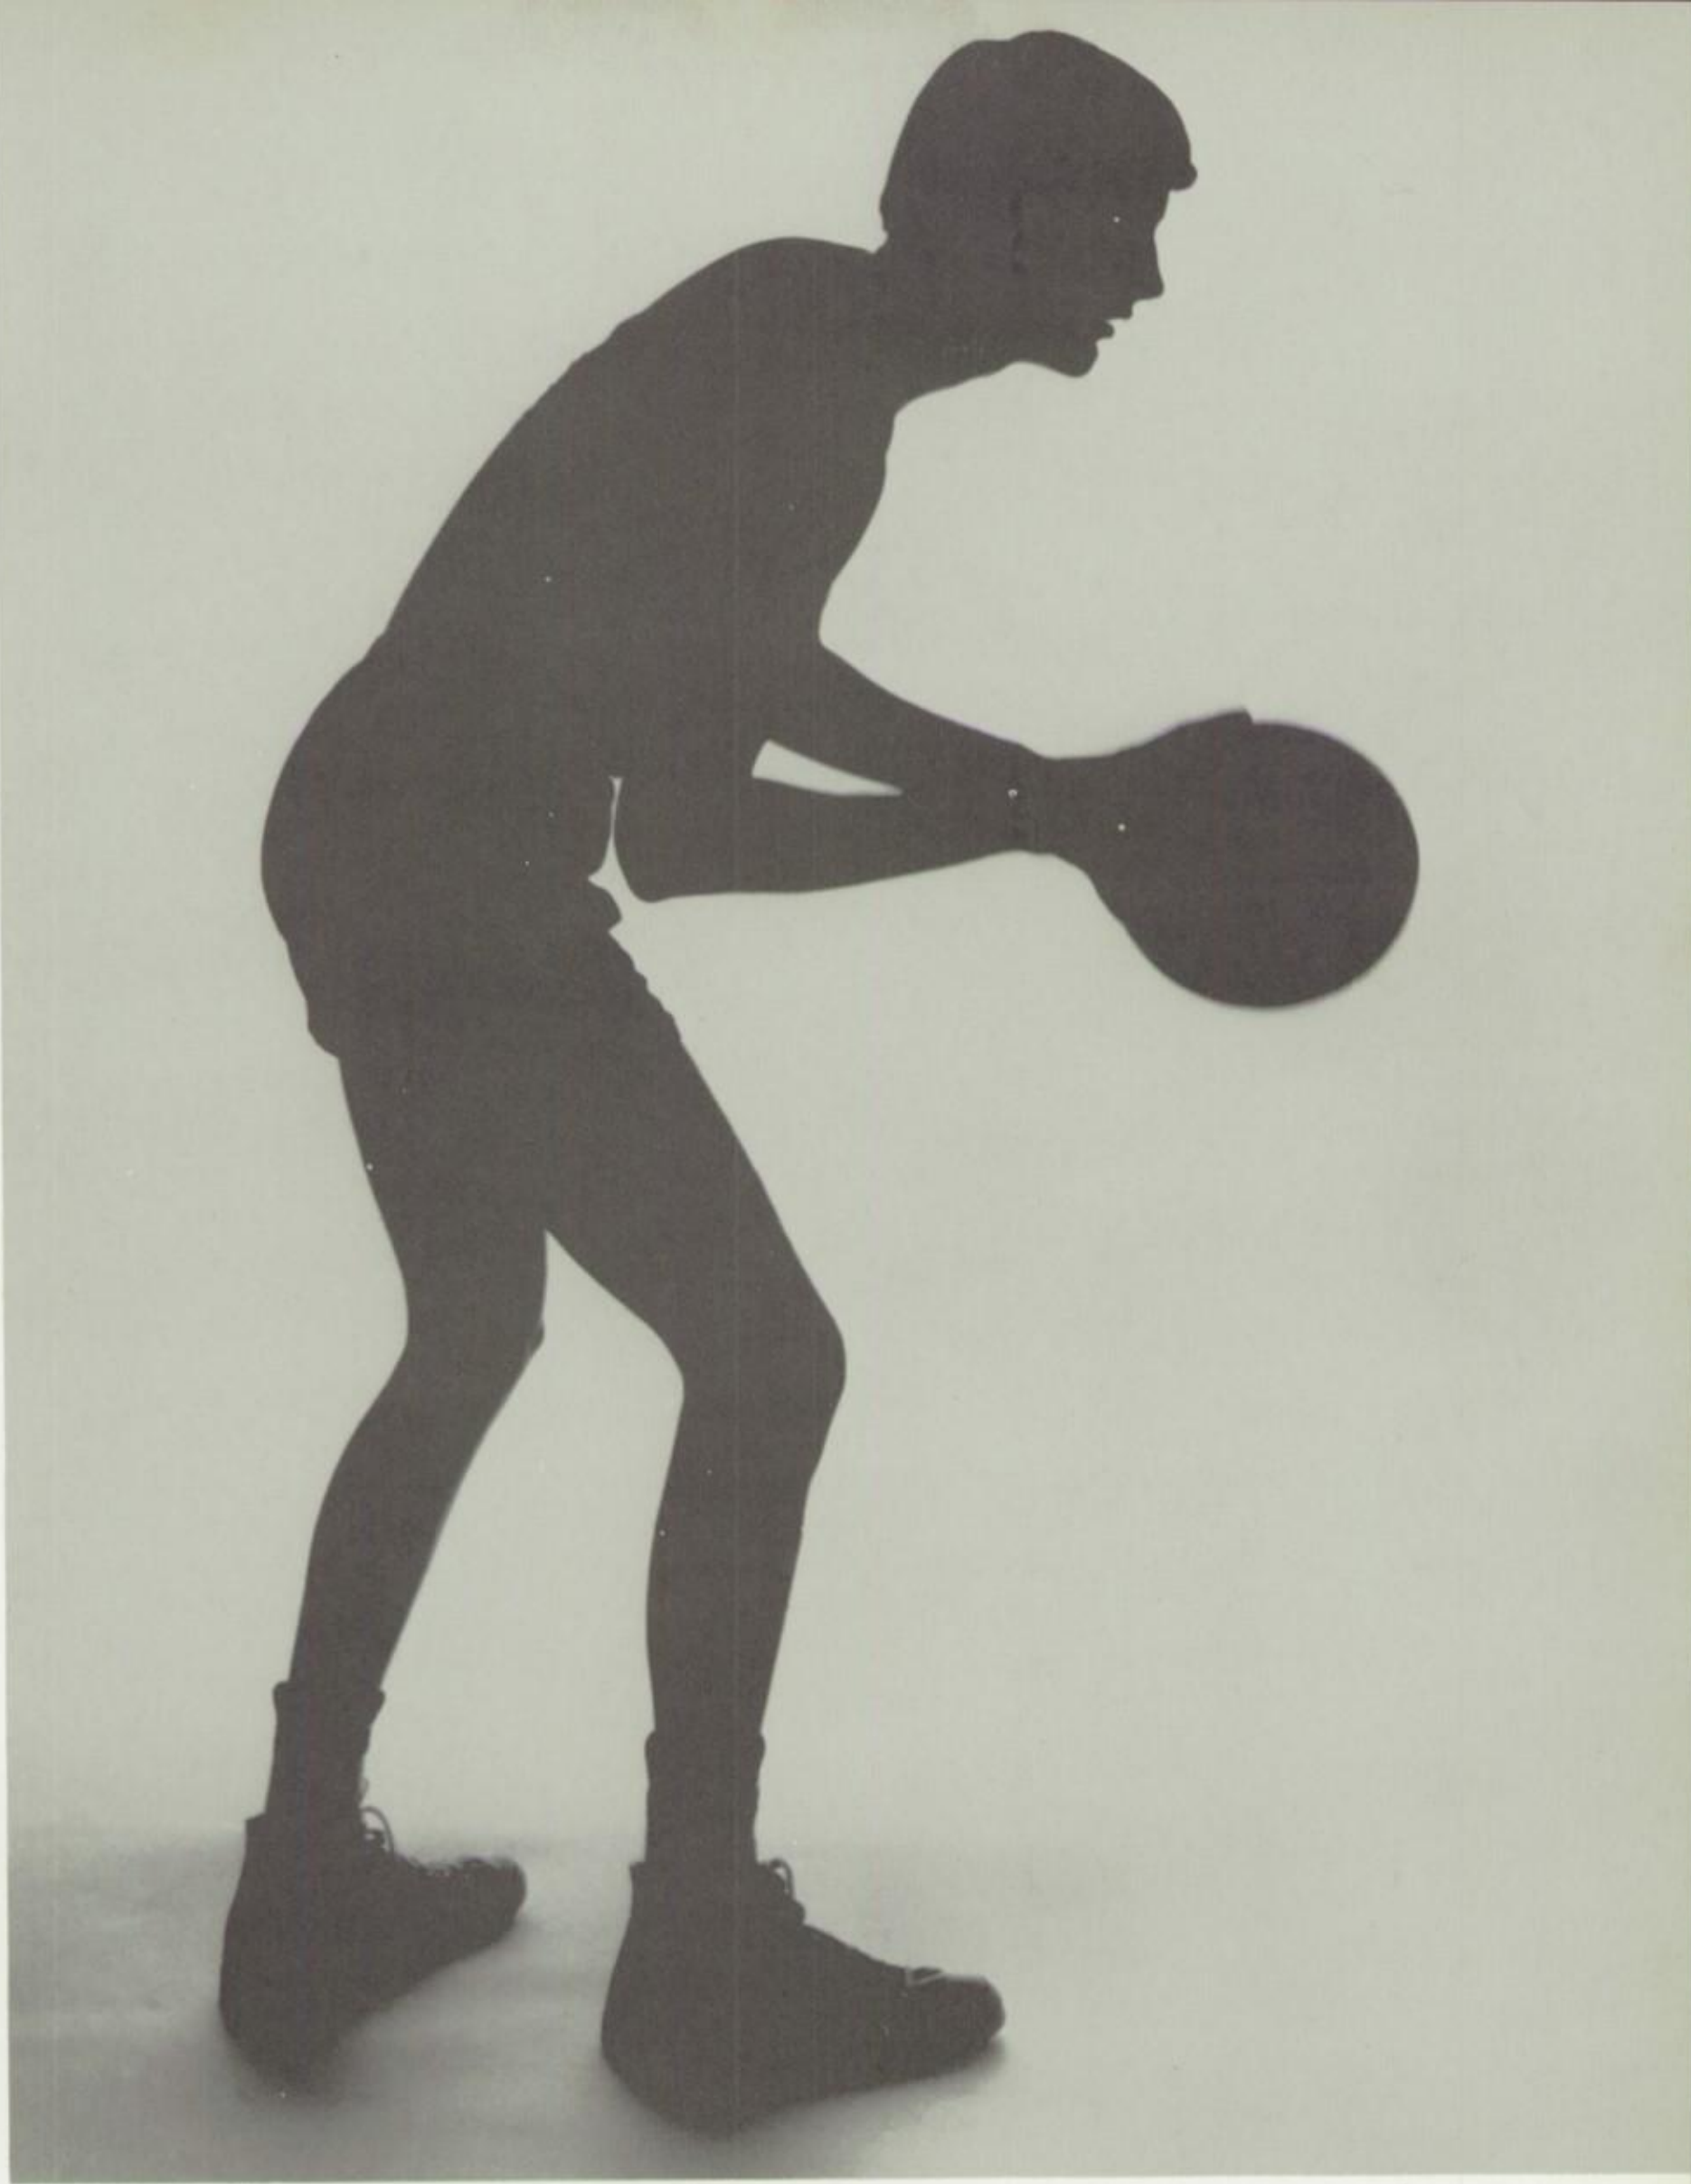

This year for the first time the students at Deer Isle High School were given the opportunity to attend Industrial Arts classes at Stonington. Our teacher is Mr. Lee Norwood. We have 21 students in this program in grades 9 through 11.

At the beginning of our course we were taught how to identify and use different tools. From this we advanced to making small wood and metal projects.

Now we have advanced to making articles of furniture such as tables and stands.

We think we have benefited by taking this course as it has taught us the rules of safe handling of tools, as well as how to make useful articles from wood and metal.

We would all like to express our sincere thanks to Stanley Joyce, our bus driver, for being so patient with all of us.

KNEELING: John Wallace, Tim Betts. STANDING: Allen White, Roger Dunham, Chris Helene, Glenn Welsh, Gary Gray, Royce Fifield, Garry Cleveland, Charlie Pickering. ABSENT: Larry Gray.

The teams of Deer Isle, Stonington, Brooklin, and Sedgwick are combined this year because of the S. A. D. The students of the schools picked the name Mariners, and chose blue and white as the team colors. They started off the year by going to the Round Robin at Ellsworth. The teams the Mariners played this year were: North Anson, Central High School (East Corinth), Eastport, Lee Academy, Christian, Penobscot Valley (Howland), Searsport, Narraguagus, and Stevens.

(L. to R.): Wendell Davis, Ralph McDonald, Garry Cleveland, David MdDonald, Everett Carter, Richard Larrabee, Charles Pickering, Mr. Morris, Advisor.

Varsity Cheerleaders

BACK ROW (l to r): Ann Jones, Margaret Small. SECOND ROW (l to r): Wilda Hutchinson, Ann Holland. FIRST ROW (l to r): Terry Gray, Wanda Wilson, Debby McHenan, Valerie Dunham

This year, Deer Isle and Stonington have combined cheering squads. On away trips, as well as home games, the girls in their sharp new blue and white uniforms cheered the mighty Mariners on to many overtime victories. Songs and cheers from both Deer Isle and Stonington were combined to make a very peppy, enthusiastic squad.

Jayvee Cheerleaders

STANDING: Beverly Conary, Julie Morey, Donna Davis. SEATED: Kathy Hutchinson, Sally Lawson, Karen Weed, Becky Boyce, Karol Eaton.

The M. S. A. D. #73 Junior Varsity cheerleaders this year are a combination of Deer Isle and Stonington cheerleaders. We have four from Deer Isle - Julie Morey, Karen Weed, Donna Davis, and Beverly Conary - and four from Stonington - Becky Boyce, Karol Eaton, Kathy Hutchinson, and Sally Lawson, with Karol Eaton as our captain. She talks to the varsity cheerleaders and welcomes them here. We always do a "hello" cheer whether it is a home game or an away game.

Our advisor is a Stonington teacher, Mrs. Claire Grindal.

This year we are using Stonington's black and orange cheerleading uniforms.

We hope to get new blue and white uniforms next year to go with our school colors.

Majorettes

BACK ROW: Paula Eaton, Debbie McHenan, Ellen Jones, Becky Boyce, Ann Jones. FIRST ROW: Kathy Jones, Sally Lawson, Debbie Lawson, Jane Eaton.

Softball

(L. TO R.) Mr. Hutchinson, Twyla Eaton, Cathy Morey, Linda Grindle, Frances Stevens, Jennifer Graham, Margaret Eaton, Jane Eaton, Jane Haskell, Sheila Hardy.

This year we started our softball season with eleven members, and we played six games during the season. We lost to Blue Hill and Stonington, but we won at Brooklin.

We practiced almost every night only to prove that we did better at our practices than at our games! However, we had a lot of fun at both.

We wish to thank our coach for devoting his time and efforts in making softball a memorable pastime for us.

Junior High Baseball

BACK ROW: Stephen Pickering, Arthur Billings, Dwight Robbins, Kendall Eaton, Scott Haskell, Paul Judkins,
FRONT ROW: Barry Thompson, David Parker, Christopher Shepard, Galen Thompson, Ronald Eaton, Perry
Speaker, Mr. Pratt, Coach.

Our Coastal League baseball season is half over and our record is two wins and three losses. We have twelve players on our team, and our coach is Mr. Richard Pratt. We expect to improve our record when we play the remaining games in the spring.

Junior High Basketball

BACK ROW: Scott Haskell, Timothy Shepard, Kendall Eaton, Ernest Parker, Stephen Pickering, FIRST ROW:
Perry Speaker, Ronald Eaton, Myron Hardy, Christopher Shepard, Mr. Pratt, Coach.

This year Mr. Richard Pratt is the coach of our Junior High School basketball team. Thus far, our team has compiled a record of three wins and four losses. Our squad consists of the starting five and four substitutes. We hope to do better in the remaining games and to win another trophy for the school.

J. V. Basketball

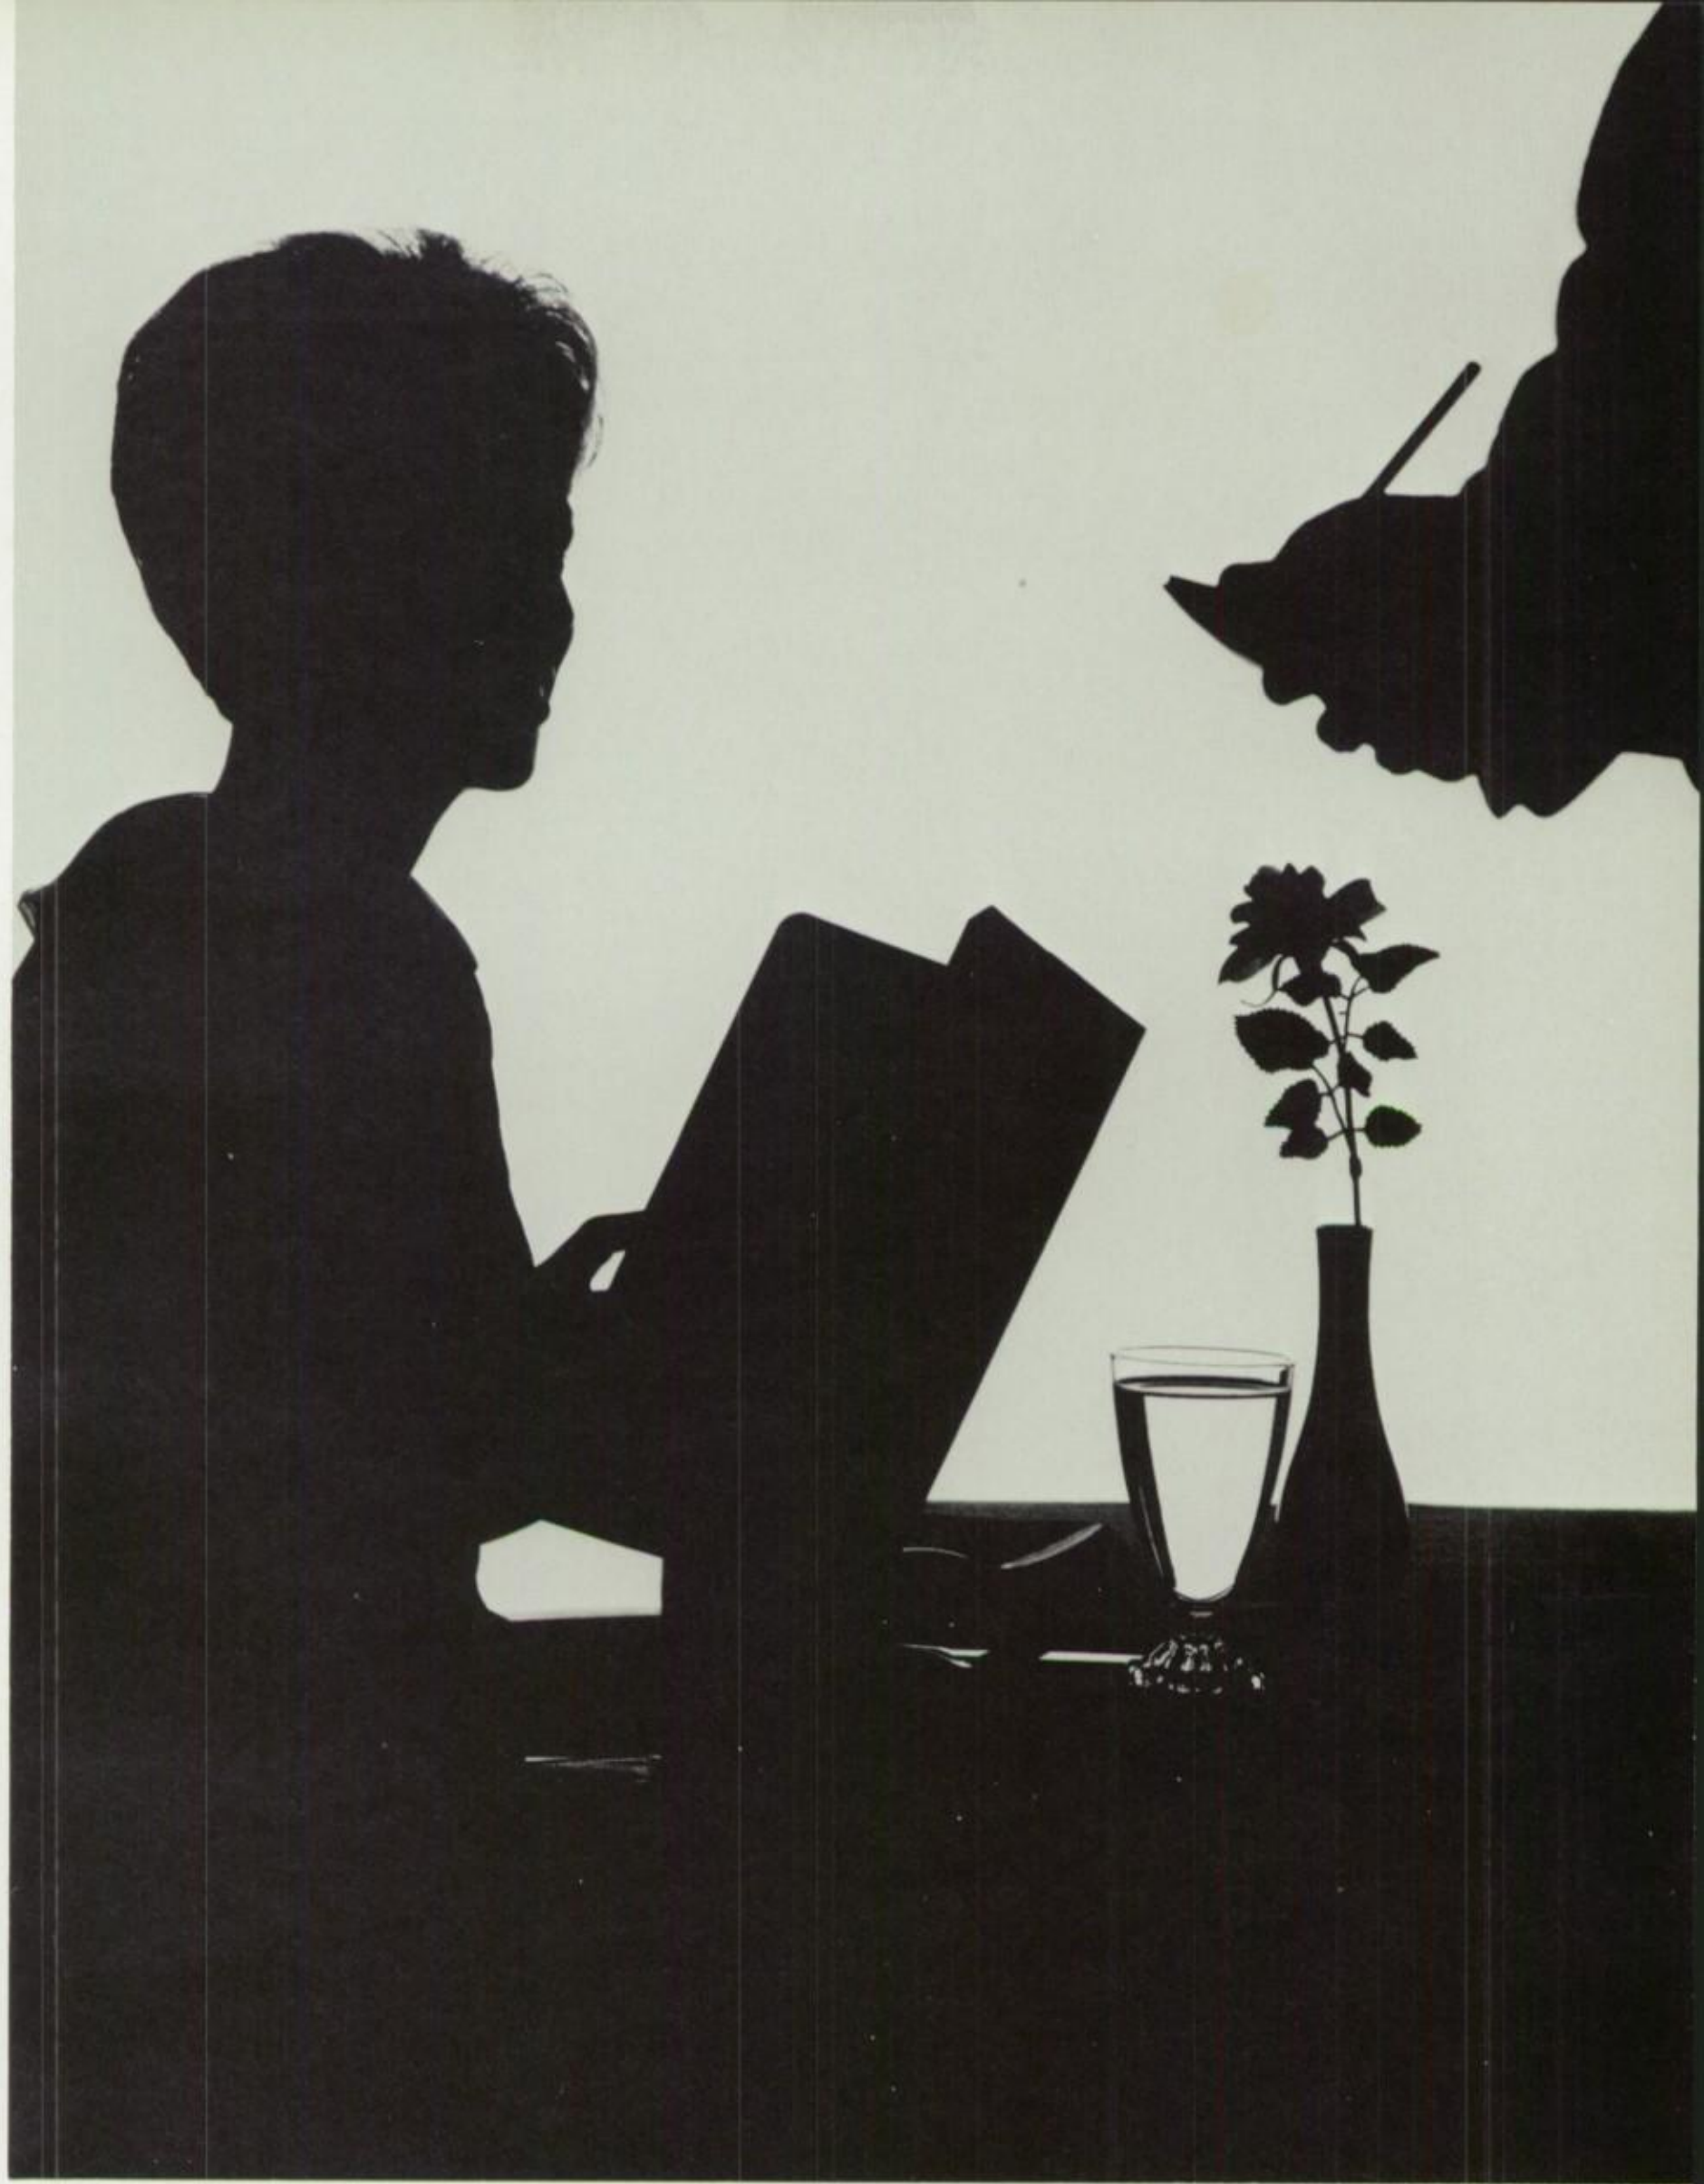

FRONT ROW: David Loring, Linwood Williams, Ricky Weed, Ralph McDonald, Steve Poitrais, Gerry Shepard, Mr. Sullivan, Coach.

STANDING: Charles Bye, Manager, Donnie Williams, Neil Allen, Kevin Dunham, Brent Morey, Jon Williams, Mike Shepard, Dale Nelson, Maynard Gray, Manager.

Two sophomores, Neil Allen, and Dale Nelson, and four freshmen, John Wallace, Dwight Staples, Ralph McDonald, and Ricky Weed, played on the Mariners team under Coach Gary Sullivan. The first game was against North Anson the Mariners won 61 to 24. This auspicious beginning didn't hold true for the rest of the season unfortunately. The games and scores after that were:
